Greenheads Galore

NEW DVD BY: PAUL SULLIVAN

2 HOURS ACTION PACKED WATERFOWL
FOOTAGE FILMED AT **BURBANK GUIDE SERVICE***.

GREENHEADS GALORE FEATURES 17 EXCITING HUNTS FROM THE 2006-07 WATERFOWL SEASON. Shot on Paul's Ponds and developed farms. See the amazing waterfowl mecca Paul has created; turning sand dunes into wetlands to supports various species of waterfowl all year long. Paul produced and edited the DVD to ensure an exciting video.

See the action as it really happened, along with lot of tips and 'how to' segments.

Able Cortina does one segment on duck calling. He has been state duck calling champion in Washington and in Colorado States.

Big thanks to **Burbank Guide Service*** guides who did all the work preparing the decoys, blinds, etc., to ensure the successful hunts day after day per Paul's formulas for success. Paul has been guiding for over 30 years and has guides to assist him who love sharing the passion of waterfowling.

You will find duck and goose hunting at its very best, along with a lot of laughs too. From Eddie at the duck ponds to Tim in the goose pits, this is a DVD which will become a favorite in any waterfowler's library.

One of Paul's success secrets is that all season long he is experimenting and trying new procedures and products, to be on the cutting edge of all developments. He created many new trends.

See for yourself some of Paul's secrets and how he can successfully shoot the **legendary Paul's Ponds** all season long, from October to the third weekend in January. Even after a long season, the last day annually has been reserved as a 'guides day', and the Ponds still brought limits to all.

Paul's developed a keen analytical eye studying for his degree in Aeronautical Engineering. But he finds studying the flight of the waterfowl more interesting and challenging.

His pursuit to have the finest equipment lead him to develop products at AeroOutdoors.com.

If you even wondered if the **Full Curl Decoys** were worth the investment, watch the NEW DVD Greenheads Galore and decide for your self. Also see the new **2-Man Deadly Duck Blind**, **DropZone Goose Decoys** and more in action!
